

# 2007 BASKETBALL REGISTRATION

P. O. Box 528, Wynnewood, PA 19096 • 610-617-9999 • www.mlgba.com

### MLGBA PHILOSOPHY:

The MLGBA provides an introduction to organized basketball, improves athletic skills, is fun, and provides enjoyable and competitive play for girls in 2nd grade through high school. All younger players get equal playing time. In the high school division, playing time is determined by coaches.

### PRACTICES & GAMES:

Every MLGBA player is assigned to a team. Each week, players in grades 2-8 have one weeknight team practice and one weekend game, usually on Saturday. Some 7th and 8th grade games are played on Sunday. Players in grades 9-12 do not practice; they have games each Sunday. The league takes great care to make the teams fair and balanced. Player participation and commitment is essential to the success of the team and the league. If you cannot make the majority of practices and games, please do not sign up for the league.

### SPONSORS:

We need sponsors. Parents: Please see other side.
